

Invitation to Bid

Richmond County, Virginia

February 15, 2019

On behalf of the Northern Neck Planning District Commission (NNPDC), Friends of the Rappahannock (FOR) is soliciting bids from qualified contractors to install a hybrid living shoreline project on a single family, residential property in Richmond County, Virginia. The purpose of this project is to prevent shoreline erosion, improve water quality, and improve habitat for fish and wildlife.

This project is funded in part through a grant from the National Fish and Wildlife Foundation (NFWF) Chesapeake Bay Small Watershed Grant Program and the Northern Neck Planning District Commission.

Friends of the Rappahannock and Northern Neck Planning District Commission reserve the right to reject any or all bids, to waive irregularities and technicalities, and to request re-bids. Withdrawal of bids due to error shall be according to Section 2.2-4330.B.2 of the Virginia Public Procurement Act.

Any individual bid that exceeds \$100,000 is required to be accompanied by a 5% Bid Bond. Also, a 100% Payment and Performance Bond shall be provided by the successful bidder before signing the contract.

Local, minority-owned, and female-owned firms are encouraged to respond.

Bid packages, specifications, plans, and approved permit documents prepared by Bayshore Design LLC are available upon request. Contact Friends of the Rappahannock Programs Manager Bryan Hofmann at 540-373-3448 x112 bryan.hofmann@riverfriends.org

Project address:

2986 Simonson Road, Farnham, VA 22460

Project proposals should plan for installation to be completed in April-May 2019 to meet the time table of the joint permit application and funding partners.

Please provide detailed project proposal including line item costs for the materials, labor, delivery, site preparation, erosion and sediment control (if applicable), and site cleanup required to successfully complete the project following the information and guidelines provided in the attached design and permit documents.

Please provide a brief narrative of experience with past projects of similar scope.

Please provide assurance that your company can provide a certificate of insurance if your bid is selected.

Please submit all applicable documents by March 13, 2019 to:
